🎓 Education

Tsinghua University

Department of Engineering Physics

Beijing, China

Aug 2016 – June 2020

- Bachelor of **Engineering Physics**; GPA:3.72/4 (Top 25%)
- Minor in **Computer Application**; GPA: 3.68/4

Imperial College London

Department of Physics

London, UK

Oct 2020 – Present

- Master Candidate of **Security and Resilience: Science and Technology**;

🏠 Research Experience

Construction and Similarity Calculation of Emergency

Student Research Training | Research Assistant

Beijing, China

May 2017 – Sept 2018

Advisor: Yi Liu, Associate Professor, Department of Engineering Physics, Tsinghua University

Smart Community Platform

Student Research Training | Research Assistant

Beijing, China

Oct 2018 – Jan 2020

Advisor: Yi Liu, Associate Professor, Department of Engineering Physics, Tsinghua University

Heterogeneous Spatiotemporal Data Fusion Methods for Community Safety

Beijing, China

Diploma Project

Feb 2020 – June 2020

Advisor: Yi Liu, Associate Professor, Department of Engineering Physics, Tsinghua University

⚙️ Skills

- C/C++, Fortran, Java, JavaScript, Python, Go, Wolfram, SQL, L^AT_EX
- Pytorch, OpenCV, OpenGL, CesiumJS, Flask
- Docker, Mathematica
- Adobe Photoshop/Illustrator/Premiere

👛 Working Experience

One Map for Emergency Management

Beijing Global Safety Technology Co., Ltd | Intern

Beijing, China

July 2019 – Aug 2019

Smart Community Platform

IPSR of Tsinghua University | Research Assistant

Beijing, China

June 2020 – Sept 2020

🏆 Honors and Awards

School-Provided Scholarship (Study Scholarship)

Oct 2017

Friend of Tsinghua – Li Canjie Scholarship (Study Scholarship)

Oct 2018

School-Provided Scholarship (Study Scholarship)

Oct 2019
